December 2011 - Newsletter

From the President: Hello Everyone,

Here it is again; another year has come and gone. It seems like this year has flown by, it gets darker sooner, its cold outside, the last couple of days have just been real gloomy all the rain. But Christmas is just around the corner and it will be fun times again.

The Christmas Party was a lot of fun and if you missed it you missed out. We had **49** members present; that without a doubt is the largest number so far. The food was fantastic and the caterers did a great job and had it ready to serve as planned. The people with Cordova Country Club were great and got us anything we needed to make our time there pleasant. I know this was the best year for Dirty Santa; I could not keep up with how many times some things went around. Poor David; Jerri's guest was having a hard time keeping something. Some of you are going to regret not getting the indoor / outdoor temperature dilly, don't know why but you will. I would like to thank David and Melody again for the Ice Sculpture; that was pretty neat. Thanks also to the people who helped straighten up afterwards. It wasn't like last year when we had to clean up everything and carry it out.

Next year we will have it at the same place with the same caterers but I think we will do Dirty Santa a little different so there might be even more swapping going on. It was good to see our newest members there, getting out early and getting to know people and having fun. As I stated at the party we will not be having a club meeting this month; that was combined with the party so I hope you had fun at the meeting.

The elections for Executive Officers for the term 2012 / 2013 is done and your Officers will be; *President: Russell Duvall; Vice President: Billy Melloh; Secretary: Butch Campbell; Treasurer: Stephanie Beach; Membership Director: Michael Beach and Regional Director: Ward Lindsey.* These New Officers will be taking over January 1, 2012. We will be meeting shortly; hopefully before the end of the year or if not very early in January to get the dates nailed down for our 2012 Mustang & Ford Show and our other events.

I talked to Lynn Taylor today and he said he was having a good day, he is not getting any better but of good and bad days Sandra said he was having a pretty good day. Let's keep Lynn and Sandra in our prayers.

Okay; we were told today to go places in the county where it usually floods when it rains a lot as it has ... you have noticed that haven't you, and while I was checking the roads I found a nice little route for a Road Rally / Scavenger Hunt, even better than I had originally found. It has 90 degree curves, s-curves, hills and some people might even get lost. Even though it's cold outside I don't see why we can't still get out and have fun in our Mustangs. We will do this right after the first of the year; I don't think we will have time to get it in this year with Christmas and all.

We need to complete our part of the agreement with the sponsorship with Landers Ford and do some Show & Shines. I have talked to Don Kitchens and he and I would like to do a Show & Shine Saturday the 17th from 11:00 to 2:00. I know this is putting it in a tight schedule but I think it would be nice to have something to where it would bring customers on his lot to buy a car or truck and boost the year-end sales. It would be nice to have 20 to 25 cars there so if you think you can be there on the 17th and possibly bring more than one Mustang if you have more than one that would help. Please send me an email and let me know so I can sort of get a list together. I know it might be cold but we can go inside and upstairs, order some Pizza's and have a good time. If it is raining on that date it will be rescheduled.

Remember to recognize our sponsors and patronize them whenever possible.

If your Sleigh (Mustang) runs poorly then DynoSpeed is where you need to be.

If the color has faded on your Sleigh or it is just needs to be shined REAL GOOD then Word of Mouth is waiting on you to bring it up there.

If you have fire in the furnace but your electricity is bad in your crib, Noland Electric can give you the spark you need.

If you need stripes for that dull looking Sleigh call Stuck on You Graphics and John will make it look all different.

If you need some parts go to Union Auto or just routine maintenance Landers Ford will take care of you.

If you are just wanting a new Sleigh cause you're tired of the old one then on December the 17th you will be at the Sleigh Shopping Center at Landers Ford.

When you're all done with everything give ole Chad Harrell a call with Nationwide Insurance to make sure everything is covered.

Minutes from the November Club Meeting

Mid South Mustang Club Meeting 11-29-2011

Russell called the meeting to order at 7:10 PM

There were 20 members and 2 Guest present

The Christmas party was discussed and was determined that it was being catered and would be at the Cordova Country Club @ 5pm and eat at 6:00 pm.

No kids are permitted this is an all adult party. The menu will be chicken & rice, beef brisk, vegetables and 4 different deserts. The Party will be Dec. 3rd, and there will be NO GAMES played this year.

Secret Santa was talked about how each member/family was to bring a wrapped gift not to exceed \$20.00.

The bonfire then was spoke of and Russell noted that the turnout was down from last year, he figured due to the wind, and cold was a cause.

Then a Show and Shine will be scheduled maybe Dec. 17th at Landers Ford Collierville, and this will help fulfill our commitment with Landers for the year but we will still have a few more Show & Shines to do.

Russell then said he is working on a Road Rally is being put together by him. And there were several choices of routes to choose from. Russell said there will be a Scavenger hunt along with the Rally.

The Club held its election for the 2012 & 2013 years; these officers will hold office for 2 yrs.

The election results are: President Russell Duvall,

VP Billy Melloh, Membership Michael Beach, Secretary Butch Campbell, Treasurer Stephanie Beach, Ward Lindsey was retained as our Regional Director. It was brought up that we need to bring in 2 at large officers in the case an elected officer cannot be there; they would then be a voting member Congratulations to the new officers. Also Russell stated that when the club was set up and Bylaws were made, they were a cross of other clubs and some put in by our founding fathers. Russell said the by lays need to be gone over by the officers, and then mailed out to the club to be reviewed and voted on.

There were 2 guests that joined the club; they are Chris and Shelia Smith.

Ward Lindsey Thanked all the members that attended the funeral of Gary Davis, he noted that Susan was very moved by the showing of the club. He also asked that all the members that were there to leave the memorial sticker on our cars till next year car show of ours. If some already removed them he would see if he could get more made but we must e-mail him telling him who needed one.

There was no update on the condition of Lynn.

Roy made a motion that we make Susan a lifetime member but it already had been taken care of by Michael

Some people were interested in having a copy of the roster, but it was discussed, and saying that the privacy act stopped us from publishing a roster to the club, It was also said if you wanted to e-mail Russell or Michael and they would get you one.

Albert asked about making changes to our web site such as cars we own and pictures. Stephanie said get her the info and she would make all changes.

It was brought up about the Nashville Club will be using Memphis Motor Sports for their show and we had agreed it was ok with us.

There will be a meeting in December with the Board of Directors of MSMC to discuss next year's car show, as to when it will be held.

Ward Lindsey ask if we were going to do the trip up to Lamberts again this year, and it was agreed that was a good idea, No Date Set for this.

It was brought up if we could make the Christmas party a BYOB and Russell was going to check on it.

It was also asked if Lisa was going over early to decorate for the party, if so vol. were needed to help out.

The Christmas Party will serve as the December Meeting and the meeting was adjourned at 8:00PM
