June 2011 - Newsletter

From the President: Hello Everyone,

Now that all the rain has gone and the water is receding I hope everyone is getting their lives back together and now it is just HOT ... I was in Phoenix AZ. The week before last for a school and it was 111 degrees. If you were in the shade with a breeze it was comfortable and if you were in the sun you just sweat and it would dry before you knew it but if you are in Memphis and in the shade with a breeze and it is 90 degrees you would be drenched.

As you are all aware due to the flooding the Club Officers met and made a decision to postpone the clubs 1st Annual Ford and Mustang Show and reschedule it for June 18th 2011. We made this decision based on the safety of those that might be traveling to the show and due to the road closings between here and Little Rock and Dyersburg which some of the registrants are coming from.

So; saying that we are all geared up for June 18 and we hope to have a really good day, it will probably be hot but maybe the rain will hold off and we will just have a mild over cast for shade to break the heat. Ward Lindsey has sent out emails for show volunteers and has had great response for you the members; thank you, we will need as many members as possible to help make this a great show and take turns swapping up with each other so we do not get too hot.

There are some clubs that judge their own members cars at their own clubs show and then there are some clubs that put their club cars up just for viewing; we will be doing the latter and the reason why we are doing this is because customarily it is best not to judge your own cars, it is the day when you set your club cars aside and have other people come in and make it their day also it does not look good for the home club "the host club" to walk away with a lot of the trophy's when you may have a person drive 150 miles to be in a show, have a very nice car and not win anything. There won't be trophy's for every entrant, there will be 1st, 2nd and 3rd with best of shows and such, with the trophy's not being sponsored the club could not afford to buy hundreds of trophy's and possibly get stuck with many. We are having to sets of classes Production "Concurs" and Modified and two different judging crews. I hope everyone understands our decision.

Some of our members made the trip over to Eureka Springs for the Annual Mustang Show over there; the ones who drove to the show are Billy, Don & Karen, Pat & Teresa, Michael & Stephanie and John & Ashley. The winners are Billy – 2nd Place Modified 1981 to present, Don 2nd in SVT Class. I was told something else happened while at Eureka Springs beside Billy holding up a post supporting a roof or it stabilizing him one or the other ... John and Ashley got married while on the trip where else but in Arkansas can you eat breakfast in the morning and have the same guy that cooked your eggs come and marry you wearing a black robe and a baseball cap Congratulations John and Ashley.

I know that there are some of you that have been getting your Mustang Times magazine later than usual; this is something we are trying to get corrected and was brought up by Chris Neri at the MCA National Board Meeting in April. Hopefully they understood our concerns and are getting it worked out. Chris's concerns were very valid seeing that he has trouble reading and likes looking at the pictures of the cars. That is why in an airplane they don't have gauges that have read outs on them but a gauge that is like a bubble with a line that tells you when the plane is level They had to keep telling Chris not to tilt his head with the line; that was the reason the plane kept going in circles.

We had a great group at the monthly meeting last month, there were a lot of faces we had not seen in a while, it was good to see them. Don't be a stranger at the monthly club meeting, the food is good, the company is great and occasionally I can find a speaker for the meeting and once in a while I may have something interesting to say. So come to the meetings and be in for a surprise.

That is about all I have for the newsletter; I hope if not interesting you might have shared in a laugh or two.

We have some new members to the club we need to welcome; Jaimyal "Jai" Lindsey and Marcus Mayton. Welcome to the Mid South Mustang Club.
