March 2011 - Newsletter

From the President: Hello Everyone,

We made the Sikeston, MO cruise today starting out on a balmy low 50 degrees; the weather men got it wrong again "sunny and warm" my foot and I must be getting a little thin blooded not just throughout the body but my head too, I can hear myself talking to myself; the other day if you don't leave the sweatshirt in the car you will forget I Saturday well I did not leave it in the car and it was a might bit chilly Saturday morning!

We had a pretty good time on the cruise 17 cars made the trip and in pretty good time too. We had "Don Spahr" Mr. Birthday Boy with us and the food was great and that you did not have to pay for was good too if you wanted you could go and sit down, order something to drink and they bring Black-eyed Peas, Fried Potatoes, Fried Okra free and throw a couple rolls at you; heck and when the server asks if you are ready to order just tell her to come back and eat the free stuff and pay for your drink and you leave full. We did not do that We ate the free stuff but we ordered too; Tracy Noland forgot he was on a diet and had just a feast.

We met up with the Mustang Club of St. Louise who had a large group with them who were very welcoming; we really had a good time, so those of you that did not make the trip; you missed a good time and some good food, we are thinking about making this a yearly event for MSMC but waiting until it warms up a bit due to the fact you are standing out waiting for an hour or better to eat. Mustang Club of St. Louise are supposed to come here for our show in May.

Now we move to the next big event lined up for March and that will be Saturday; March 26 which is in Tupelo at the Auto Museum for Mustangs in the House. MSMC is a sponsor of this event and we need a large group going down for this and show our support for this event. John Farmer has worked hard to put this together and there will also be a Motor Cross you can enter if you like.

For the Tupelo event we will meet Saturday morning in Olive Branch as we usually do; just go south on Hwy 78 to the Goodman Road Exit, go right and look to your left and you will see the McDonald's, we meet just behind the McDonald's. We will meet between 8:00 AM and 8:30 AM and pull out at 8:45 AM. So get there and lets all cruise together sowing up with a large group.

The Museum will be open, there will be things to do and for those who are staying for dinner it should be at 5:00 PM, so get up early and ride your pony down to meet us down in Olive Branch for this event; two weekends in a row treating yourself to fun just makes you feel like a kid again
